

East Pawtucketville Neighborhood Group Meeting to Discuss Community Issues

Monday, January 23, 2012 7:00-8:30 pm

On November 14, 2011, about 20 local residents met for the first East Pawtucketville Neighborhood Group. Here is what neighbors are concerned about:

- Noise, parties, and vandalism on or near University Avenue
- Traffic patterns in the neighborhood
- Where are the police? Should we call university police or city police?
- How are we going to be affected by the new building on North campus?
- What's going to happen with the new bridge, old bridge, and University Crossing?
- What about the youth, young families, and seniors in our neighborhood?

If these issues, or others, are of interest to you, please join us for a conversation about East Pawtucketville.

Our special guest will be Captain Kelly Richardson of the Lowell Police
